GARAGE DOOR REPAIR/SERVICE WARRANTY PROGRAM

AVAILABLE FOR: 12 MONTHS | 24 MONTHS | 36 MONTHS | 60 MONTHS | LIMITED LIFETIME*

D&L Garage Doors hereby warrants to the owner the labor and parts listed including the operation of the opener, rail, remotes, keypads and associated parts, if listed, for the warranty period listed on the customer's invoice. Date of Service must also be noted for warranty to be in effect. This warranty is in force so long as the opener, rail, remotes, keypads and associated parts are maintained in accordance with the manufacturers operating and maintenance instructions and that **reasonable annual maintenance** is performed.

This warranty shall be in force for the benefit of the home owner but null and void if the opener and/or associated parts have been adjusted, modified or repaired by any unauthorized technician or individual not approved by D&L Garage Doors.

Parts Covered: ONLY parts provided and installed by D&L Garage Doors are covered. This can include, but is not limited to, the spring(s), torsion bar, bearing plates, cable drums, center bearing, center plate, bottom plates, cables, remotes, opener head units, rails and belts or chains. There will be an additional charge for labor related to removal replacement or installation of any warrantied items.

Parts not covered: Bulbs, batteries, sensor misalignment.

A Minimum of \$89.00 Deductible Trip Charge/Service Fee will apply to all service calls under this warranty.

For This Warranty To Be Valid The Customer Must KEEP The Invoice, Door Service Sticker & Warranty Copies.

This warranty covers defective parts for the warranty term listed starting from the date of installation. This warranty does NOT cover any breakage, failure, or operating difficulties due to accident, abuse, misuse, alteration, misapplication, faulty building construction or design, failure due to acts of God, civil disturbance, war or terrorism, commercial use, improper or insufficient handling or storage, or lack of regular maintenance or exposure to any corrosive environment or unauthorized repair or repair parts.

PLEASE NOTE: If no covered defects are discovered or repaired during a service call, the homeowner is responsible for the entire cost of diagnosis fee to the service contractor.

This warranty does not supersede any consumer warranty coverage provided by the original manufacturer on any doors or parts, thus this warranty does NOT extend to any door or parts with existing warranty coverage. In this case, we will correct any listed part that fails due to defective workmanship and, if a part is covered by the manufacturer's warranty, we will repair or replace that defective part charging only the \$89.00 deductible fee during the noted warranty period. This warranty applies ONLY to new doors D&L installed and COMPLETE overhaul of the garage door & opener system. Partial overhauls or repairs do not qualify for this warranty.

All parts and products come with a manufacturer's warranty. Some parts/products must be registered directly with the manufacturer in order to be eligible for any warranty coverage. This plan is a supplementary service and can only be offered by a D&L Garage Door representative at the time of the initial scheduled garage door repair/installation visit. D&L Garage Doors will not be held liable to warranty, repair or replace any defective parts/products unless the customer registered AND the manufacturer warrantied and approved repairing or replacing the defective parts/products, or an extended Warranty Agreement was purchased. All of our work comes with a 30 Day Limited Warranty unless otherwise noted or an extended Warranty Agreement is purchased.
